Our paths may never have crossed, but I would like to take the opportunity to introduce myself.

I believe where ever possible, keep things simple. After more than 30 years in the law, I know it is important to stay focused on the things that really matter.

My areas of knowledge & experience are: property development and transactions, joint ventures, financing arrangements, business sales and structures, commercial leasing and conveyancing.

“ Thank you for your attention to this lease matter, and in such an attentive manner. You have handled My and Jenny’s affairs for some 25 years now. We have always been impressed with the friendly and professional manner you have conducted business with us.

We both regard you as much a friend as our solicitor, thanks again Robert.

- John & Jenny S

“ I moved from Sydney to Sunshine Coast in May 2014 and after using the same excellent solicitor for 25 years in Sydney I was concerned about finding a firm that would engender the same long term business relationship. Friends in Coolum suggested Robert Cartmill who has recently amalgamated with Greenhalgh Pickard. I dealt with Robert in the settlement of my property; he was excellent and kept me well informed of progress. I would unhesitatingly recommend their company’s services to any future client.

- Lee C

“ Robert Cartmill has been my solicitor for over 21 years handling both personal and business contracts and agreements. He always displays attention to detail and in depth knowledge. I have always found Robert to be caring and making me feel at ease in circumstances that may not be so. I highly recommend Robert and the team at Greenhalgh Pickard.
