Thank you for the opportunity to introduce myself.

I practice in civil and commercial litigation, dispute resolution and criminal law dealing with a wide range of legal matters from debt disputes, domestic and commercial building construction matters, estate litigation, corporate insolvency and personal bankruptcy, company and business matters to neighbourhood disputes.

In criminal practice I represent a wide variety of clients facing many different types of matters and charges, such areas include traffic and driving, assaults, stealing, fraud, Commonwealth charges, property and drug offences.

I provide my clients with easy to understand legal advice to help choose the appropriate option to deal with their particular legal issue and achieve the best outcome. If a client is facing the Court I will provide professional advocacy and representation.

We have been working with Shane Ulyatt from Greenhalgh Pickard Solicitors on a business matter requiring his assistance to reclaim company property. Shane and the firm are extremely professional in all their dealings as well as being friendly and approachable. Shane explains the issues in plain English, not legal jargon, and follows through with his actions in the timeframes that have been agreed despite a busy caseload and court appearances. I would recommend Shane and the firm for all business legal matters

“

Shane Ulyatt was very effective in obtaining a successful result for me. Shane reviewed my case during our first meet and highlighted areas of weakness that needed attending to. He then provided a guide and timeline to have it done. On Court day I could not believe how quickly and easily our outcome was achieved. Shane took control, negotiated and removed all emotion and stress from the day. I was very happy I had enlisted Shane's services and would recommend him to anyone in need of a Litigation Solicitor.
